Notice! Notice! Notice! Notice!

HAVING seen by the *Standard* and SENTINEL of 5th, that the Exchange House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was done when he expected to be the Proprietor and retain this, as he expressed it, for his first class boarders, and send his second class to the Yarborough. The trouble was he had to go there himself.

To do justice to the owners of this property, my customers and myself, I will say that let the public simply give the house a trial, and they will say no better, cleaner, better kept house can be found in the South or North.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 20 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and non-injurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 10th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Non-Explosive Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to the other good qualities, should secure its introduction into every family in the country, where Kerosene Oil is used.

INSURRACTION IN ALAMANCE.

There is no where to be found a more spirited and, at the same time a more loy al, law-loving and law-abiding people, than the people of Alamance county.

The attempt of Holden, Littlefield and Abbott, to subdue the proud spirit and invade the constitutional rights and privileges of this people, will recoil upon them and their corrupting coterie.

The allegation that Alamance county is, or has been, in a state of insurrection is a base falsehood, worthy the invention of Governor Holden, the man who stigmatized Edward Everett as one of "the most elegant devils out of hell," and who called Lincoln a despot, a devil, a tyrant and a fool, and called for his head three years before Booth shot it off. We say, the charge of insurrection in Alamance is worthy only of such a man as this.

Littlefield, Abbott and Holden have, by false statements and exaggerated reports induced the President to quarter armed troops upon a people who are no more responsible for the hanging of Outlaw, than are the people of Massachusetts for the six murders which have occurred in that State within the last ninety days, or the people of New York for the eleven murders that were committed in that State in the month of January last.

Mr. Albright, the Republican Judge of Probate and Clerk of the Superior Court of Alamance, was heard to tell the Governor, in the Executive office in this city, that Outlaw was hung by men not citizens of Alamance, at least that that was his opinion and the opinion generally prevailing in the county.

But, for party reasons, the Governor and Mr. Albright will not make this a element to the public. Should Mr. Albright deny giving the Governor this information privately, we will prove it on him. We have no hesitation in saying we believe the Governor would deny or suppress it, if the denial or suppression would save his personal or party ends.

The people of Alamance would have cause of self-reproach, and for lamenting over this second invasion of their homes by armed men, if they, as a people, had given any just cause for such invasion; as it is, they can look with contempt upon the low malignity that, "clothed in a little brief authority," avails of the opportunity it gives of thus insulting them.

Holden, under carpet-bag influence, has made two invasions of this county; the first was by his armed desperadoes; the same who afterwards cut each others' throats at Goldsboro', and the second is by troops who, though in themselves and their intercourse with the citizens, entirely unexceptionable, their being sent there under the circumstances, is no less an insult and an invasion to the people on the part of the Governor.

But the Littlefield-Holden policy of corrupting or intimidating will avail them but little in Alamance. We have learned that it was Littlefield and Abbott, under the instigation, and destruction of the Governor, no doubt, who were instrumental in getting up the lying, sensational dispatches concerning the people of Alamance, Jones, and other counties of the State, to the New York *Herald*.

The Governor's intimate relationships, involving, as many believe, some heavy trades and gain financial operations, has been almost exclusively with Littlefield and such other carpet baggers as Lellin, Davis, Tourgee, Abbott, Estes, French, Meninger, the saintly Ashley and John T. Deweese, to the exclusion of such native Republicans as Gen. Dockery, Senators Lindsay, of Rockingham, Ingram, of Anson, Wilson, of Forsythe, and others that we could name, whose suggestions seem to have been spurned by the Governor. His reliance, both financially and politically, seems to rest entirely on Littlefield and his coadjutors, and to this may be attributed, among other strange and outrageous acts, his course in regard to the people of Alamance.

He has never called to his aid the service of men of character, ability and virtue, and seems to assimilate only with men of the contrary characteristics. Only men of merit and truth can discover and appreciate these traits in others. The Governor's refusal or failure to drive from the public service such men as Swepson, Littlefield, Sloan, A. J. Jones and Davis, the woman insulter, shows him to be wanting in those moral qualities necessary to a faithful Executive. His false and libelous proclamation, declaring the people of Alamance in a state of insurrection, plainly indicates to the people what they may expect from the continuation of such a block, corrupt, dishonest administration.

THE OPERA TO NIGHT.—There will be a full house to greet the Brignoli and McCulloch Opera Troupe at Tucker Hall to night. There were a few seats in the parquette unsold yesterday, but purchasers were still coming in. Unless applied for early to-day, it will be impossible to procure eligible seats.

The opera to be presented to night, *Il Trovatore*, is one of the most popular ever sung in this country, and all the surroundings combine to warrant a better presentation of it to-night at Tucker Hall, than our people will have an opportunity of witnessing again for many a day. It would be a pity for any one capable of appreciating such a musical treat as that offered by the celebrated Tenor, Brignoli, and the accomplished Miss McCulloch, supported by other distinguished singers, to miss the opportunity of hearing them.

AUCTION TO NIGHT.—We are requested by Mr. M. Rosenbaum, to give notice that his auction will open to night at 8 o'clock, at which will be offered a lot of reasonable dry goods, boots and shoes, with other desirable and seasonable articles.

A NEW SUIT OF CLOTHES.—We may say what we will about our indifference to appearances, and all that, but almost any body feels better and more independent in good clothes than in faded or unfashionable garments. Besson, opposite the Market House, on Fayetteville street, who has just returned from New York, says he has laid in a good lot of cloths, cassimers, drap d'ete, doeskins and vestings, from which he will be able to furnish any one in want, with a complete suit, good in quality, fashionable in style, complete in fit, and at very moderate price. As this is a subject in which all are more or less interested, we leave it with the public and Mr. Besson to arrange between themselves, which, we have no doubt can be easily done, by calling around at his establishment as above.

GEN. LEE'S VISIT.—At this present writing (9 o'clock, P. M.) it is doubtful whether Gen. Lee will make any stop in Raleigh at all. He will probably, pass directly through without stopping, which will be regretted by our citizens, as many were anxious to see and welcome him to hospitalities of the city.

THE CAPTIONS.—We surrender a large portion of our available space to-day, to a publication of the Captions of Acts and resolutions passed by the General Assembly, during the session just closed. It is customary for the people to desire to see what has been done in the way of legislation, although no very satisfactory idea can be formed from a mere list of the acts passed, yet it is better than nothing.

We shall furnish the lists of Captions to those who have ordered them of us, in a few days.

ANOTHER DESTRUCTIVE FIRE IN BEAUFORT, N. C.—SUPPOSED TO THE WORK OF AN INCENDIARY.

About 20 minutes before 3 o'clock, on Sunday morning, the 27th, flames were discovered issuing from the rear of the store owned and occupied by Rieger, Davis & Bro. The fire had acquired such headway before its discovery, that there was no chance to save the buildings or their contents. Out of eighteen bales of cotton stored in a room adjoining the main building, only two were saved in a damaged condition. Their store was very capacious, and their stock large and varied for this market. Store and stock may be said to be a total loss. No Insurance. It is supposed that their loss will reach at least twenty thousand dollars.

Jno. D. Davis, Esq., the Sheriff of the county, had his office in a building attached to, and belonging to their store, and he lost all his papers.

W. J. Bushall Esq., Township Constable, had all his papers in the Sheriff's office, and they were all lost.

A. C. Davis, Esq. lost two buildings contiguous to the store of Rieger, Davis & Bro. supposed to be worth about $800,00. No Insurance.

The wind was blowing very fresh from the South East during the prevalence of the fire, and but for the fact that there had been a heavy rain from nightfall up to midnight, a large portion of our quiet and pleasant town would have been in ashes before any human power could have arrested the progress of the flames. Wet as it was, it required great effort to keep the stores of Lowenberg & Bro. W. F. Dill, and the Front street house from taking fire across the street. Two destructive fires in less than two months. *Is our town doomed to destruction?* M.

Beaufort, N. C. March 28th, 1870.

"Now, spose'n you was to be turned into an animal," said Jim, "what would you like to be, Bill?" "Oh, I'd like to be a lion," replied Bill, "because he's so——" "Oh no don't be a lion, Bill," interrupted little Tom, who has had some recent painful experience at school; "be a wasp, and then you can sting the schoolmaster."

OBITUARY.

In Graham of pneumonia, on the morning of the 17th, MRS. EMMA GRAVES, beloved wife of Prof. Ralph H. Graves, and daughter of the late John Taylor, Esq., of Hillsboro'. This excellent and lamented lady, in early youth, professed her faith in Christ, and became an earnest, working and efficient member of the Presbyterian Church. Her superior mind, ready wit, and unusual powers of conversation, made her at all times a charming companion, and her warm, generous, affectionate heart was ever open with her hand, to every call upon her sympathy and benevolence. She exercised unbounded hospitality, and no one could visit her home without feeling unusual gratification. Though of delicate constitution, which often caused her much bodily suffering, and her family cares always heavy, Mrs. Graves possessed a spirit of unfailing cheerfulness which so much rose above all the ills of life. Energetic, devoted to all her duties, she was faithful unto the end. Those who knew her best, loved her most, many tears will fall and loving hearts mourn over her sudden departure. A.

HEROIC REMEDY!

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and expertness that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST

VALUABLE VEGETABLE JUICES

Known in the history of Medicines for

PURIFYING THE BLOOD,

Imparting

NUTRITION TO THE SYSTEM,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing his last on the battle field, his companions surged on and left him alone. They knew the cause of his approaching end it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day so rapidly sinking, and so surely tottering on to an untimely end, in Suffering Agony, Wretchedness, and Ignorance of the cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
And restore the Blood of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unaware and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes

seated, and defies all ordinary or temporary treatment to relinquish its merciless grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The wild eyed face—the shallow complexion?
The feeble voice—the sunken, glassy eye?
The emaciated form—the trembling frame?
The treacherous pimple—the tortuting sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough cutorlese skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

The impurities of Scrofula that sometimes flourish and feed the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

WASHINGTON.

WASHINGTON, March 28.—In Bigelow vs. De Forrest to obtain possession of land sold under confiscation. The present suit to bring it by the heirs of the former owner. The case comes from Virginia on application to remove it from the state to the Federal Court. The Supreme Court decides that the law of 1862 provides only for pleadings and not for real estate cases; but on the merits of the case, says that the sale under confiscation affects the title only during the life of the owner, upon whose death the title devolves as though there had been no confiscation sale.—The court decides in a case from Kentucky that States may tax shares in National Banks as distinct from the Bank's capital, and that the tax levied by States on shareholders may be collected from the Banks by garnishee. Chief Justice dissented.

Revenue to-day nearly $750,000.

Peter I. Ralph nominated Supervisor of Steamboats for 8th district.

Boutwell recommends that Treasury buildings this year should not exceed five, none of which are in the South.

SENATE.—South Carolina negroes petition for an appropriation for Wilberforce College, Ohio. Schurz spoke against San Domingo to-day.—Probably the vote will be taken to-morrow.

Resolutions from the Iowa Legislature sympathizing with Cuba, were presented.

Rowels, col., introduced a bill granting right-way to New Orleans and North Eastern Railway Company.

Executive session on San Domingo.

HOUSE.—Bills were introduced to improve the harbor at the mouth of the Cape Fear River, also, to prevent the collection of illegal fees from passengers through the states; also, by McKenzie incorporating and granting lands to the Trans-Continental R. R. Co., also granting to Alabama for the Selma and Gulf R. R. Co.

The House refused a second reading to the bill taxing the interest on federal bonds, also to a resolution declaring in favor of reading the Bible in schools.

The land bill was discussed up to the recess.

WASHINGTON, March 29.—This morning in the House, Logan like by unanimous consent, spoken for a half an hour in reply to Sherman's letter about the army.

SENATE.—Much unimportant business was followed by a long discussion upon the order of business. A motion is being made to take up the Texas bill and it will probably succeed.

There is no truth in the report in respect to the extension of the time for ratification of the San Domingo treaty.

Sherman moved that the Judiciary Committee be discharged from the consideration of the Texas bill in order that the Senate might take it up. Trumbull opposed the motion bitterly as an indignity to the Committee.

CARD.

SOUTHERN LIFE INSURANCE CO.

TO THE PEOPLE OF NORTH CAROLINA.

AT the request of General John B. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home*. By careful calculation it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South to the North for Life Insurance and unless checked will surely prove suicidal to our interests. We ask you to consider how greatly the material interest of this section would be benefitted by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but every dollar of premium (less expenses) is invested in the State from which it is derived.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Some of the most prominent gentlemen in these States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of strangers? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States, its ratio of assets to liabilities *the only true test of a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of Reference in this State and others.

Do not Insure Your Life

UNTIL YOU ASCERTAIN FROM

P. F. PESCUD,

General Agent for North Carolina,

WHY THE

National Life Insurance Company,

OF THE

UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has insured nearly

10,000 POLICIES,

HAS A CASH CAPITAL OF

$1,000,000,

which was all paid in before a Policy was issued and which has already increased fifty per cent. All the losses reported to 1st July last amounted to but 440 000, and as a further evidence of the great care observed in the selection of risks, 724 applications amounting to nearly 3,000,000, were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small annuity spent for a Policy secures a larger amount of Cash Assets and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES P. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

PRINCIPAL OFFICE AT ST. LOUIS, MO., OLIVE STREET, No. 318.

No Life Insurance Company in the United States offers superior advantages for insurance or investment, than the St. Louis Mutual. It is managed by gentlemen of the highest capacity and standing and it enjoys the largest confidence of those acquainted with Insurance Companies.

Its Policies are liberal; its premiums moderate and made easy; its losses are paid promptly and its investments are made on the most solid basis, being principally in improved real estate worth *twice the amount invested, paying ten per cent per annum.*

All its Policies are non-forfeitable and all participate in its profits from the beginning.

Dividends declared and applied annually to policy holders on the contribution plan.

The Company is strictly Mutual, and the profits of its business are paid not to stockholders but to its policy holders.

An equitable surrender value paid to all who through misfortune are unable to keep up their policies.

Pianos for Sale! Pianos for Sale.

MR. WILLIAM H. VAUGHAN, WELL known in our community as a Musician and Piano Tuner, is now appointed Agent for those splendid, Seven Octave, fine Rose Wood Pianos, built by C. M. Tremaine & Bro. These Pianos will be warranted for six years, and Mr. Vaughan is here ready to keep the instrument in perfect tune, if it should need it. He has at this time one of the Pianos at his residence, on Cabarrus Street, a little East of the N. C. R. R. Depot, and would be glad to show it to any one who will call to see it.

These instruments took the premium at the Virginia State Fair, and without doubt are the best and cheapest instruments in the North or South.

Old Pianos taken in exchange for new ones, at a fair price. As I am confident that I can sell cheaper than any body else, I beg of my own people in the State to give me a call before purchasing elsewhere.

Piano tuning and Repairing done at shortest notice. Can make an old Piano as good almost as new, for a very low sum.

Address,

W. H. VAUGHAN Box 210 Raleigh.

IT WILL BE REMEMBERED THAT THE Messrs. Tr maine Bro's. took the first premium at the Virginia State Fair on their celebrated Pianos. These gentlemen fully understand their business, being thorough mechanics themselves. Call at the store of E. VIA, 38, Fayetteville Street and examine one of the finest they have ever made.
